

Meet Becky Stumperth

Becky is a highly experienced staff tax professional who has a strong love for working with numbers. With nine years of experience as a seasonal preparer at HK, she joins the firm as a permanent member, where she has honed her skills in preparing 1040-1041 forms. She has also gained valuable insights from her previous roles in cash accounting for a local retail store and as a finance assistant for a local company.

When Becky isn't working, she can be found on the beach with her husband, reading her favorite books.
