

## Meet Diana Clevinger

Diana comes to HK as an accounts payable veteran and a financial coordinator in the manufacturing industry. She is certified as a QuickBooks ProAdvisor, and her responsibilities at HK include assisting clients with back-office tasks, preparing financial reports, client bookkeeping and payroll.

When Diana is not at HK, she enjoys spending time with her black Labrador, Rosie, at her historic home, where she is handy around the house and can tackle most home repairs. Diana also loves supporting the local arts community, including the 720 Market!
